

How can a new organization/provider get access to GHCEpicLink?

Contact the Group Health Cooperative of South Central Wisconsin (GHC-SCW) Privacy Officer at privacy@ghcscw.com with:

1. The requesting organization must have a volume of shared patients sufficient to support providing GHCEpicLink access. An organizational [GHCEpicLink Partner Agreement](#) is required and must be signed by the appropriate organizational contracting person.
2. Designation of at least one [Site Coordinator](#) is also required.

If you are an individual user associated with an organization that already has a GHCEpicLink Partner relationship with GHC-SCW, please contact your Site Coordinator to arrange access for you.

If you wish to check the status of a claim, a login is not required. You may use the Check Claim Status link from our GHCEpicLink [login page](#).
